# About the GerJa Rovian

---

Designed for the large family or corporate team, this MPV redefines space and efficiency. The 2.0L+BAT Hybrid powertrain delivers responsive performance and exceptional fuel economy for a vehicle of this size, making long-distance travel and daily commutes surprisingly economical. With flexible seating for up to nine passengers, it features a massive, adaptable cabin that can easily transform for luggage, equipment, or maximum occupancy. Standard safety features like ABS/EBD/ESC and driver/passenger airbags ensure peace of mind, while the automatic transmission offers a smooth, car-like driving experience. German engineering meets Japanese reliability in a full-sized people mover that masters both practicality and comfort.
